children navigate
their tomorrow*

Acknowledgement Of Country

OSHClub would like to begin by acknowledging the traditional custodians of the land on which we meet. We pay respect to the elders past and present as well as the children of today who will emerge as the leaders of the future.

We embed this respect to ensure we are providing a learning environment where all children feel welcome and can acknowledge our shared history in moving forward to building brighter futures, together.

Staying Safe
How can we keep you safe at Stay and Play?

Note: Children's meetings are to take place on a weekly basis, suggested activities are to be added to Our Weekly Adventure Planner for that week or the next, depending on resources and needs of the children. Ensure you add the Children's Meeting coding sticker to the planner along with the meeting date.

SAFETY

Not just physical prevention

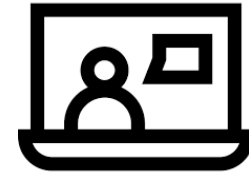

Emotionally

Children perceive their environment as safe. They feel comfortable with the team & know they are being cared for.

Physically

Environments are set up to ensure children are always safe. This includes careful consideration of resources & team.

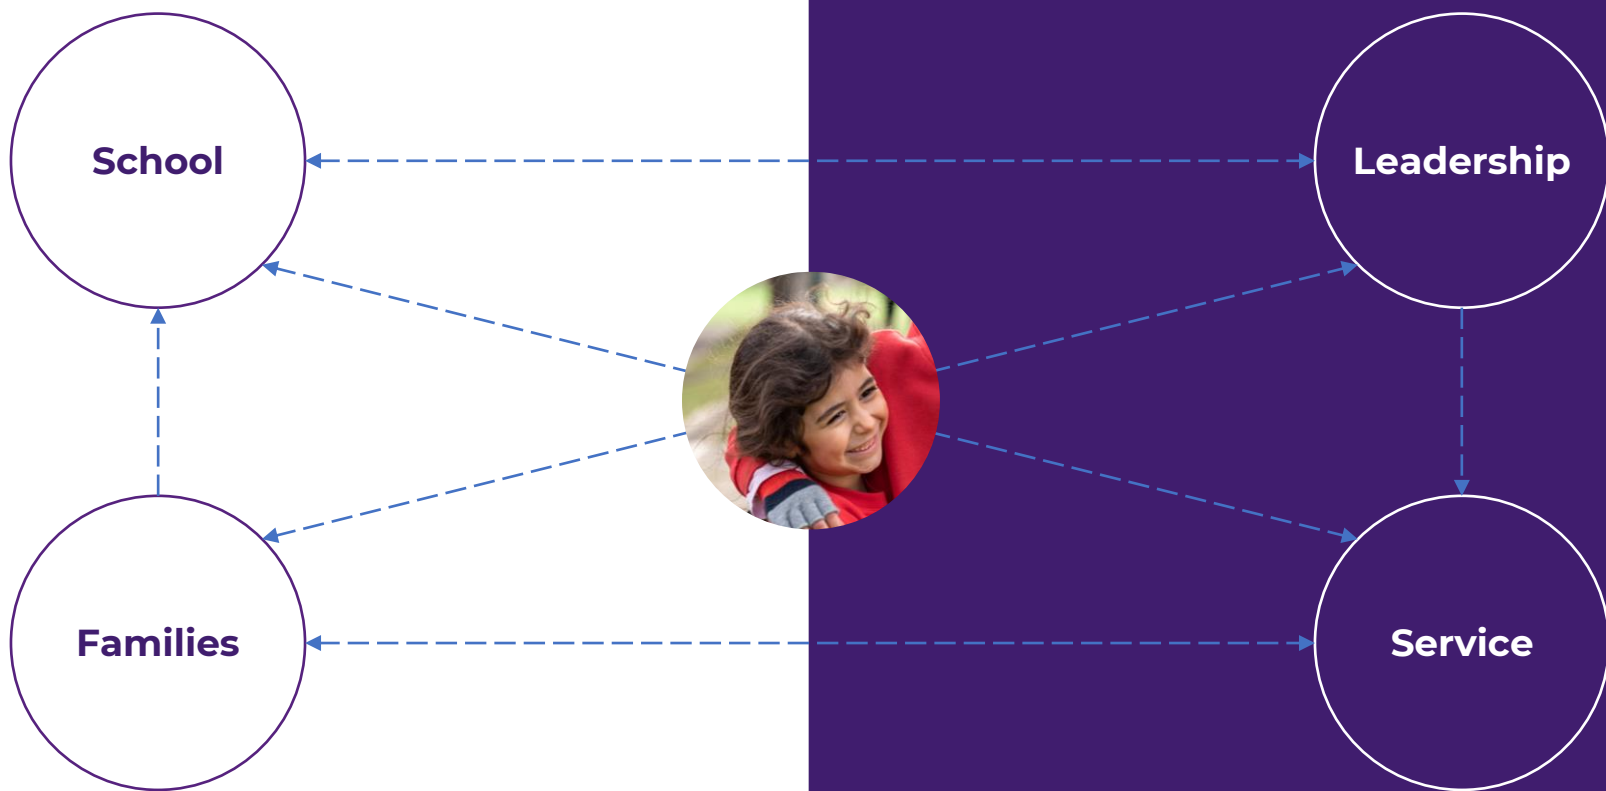

Virtually

Strict rules regarding use of devices in service ensures children are kept safe virtually. This includes use by team.
